Christmas Concert - Thursday 6th December @ 7pm

Students and staff are excited for this year's Holy Cross Aussie Christmas Concert! This event will take place on the basketball court. Seating will be provided, however, visitors are also able to bring their own chair.

All grades will gather in their learning spaces by **6:30pm on Thursday 6th December**. Students will be seated on the basketball court by 6:45pm. Light entertainment in the form of students showcasing their musical gifts, will be provided between 6:30pm-7pm.

Students will need to wear: A Christmas smile and Christmas clothing.

Raining: If it is forecast to rain on the night, the Christmas concert will be relocated to the Multi Purpose Learning Centre.

Please make sure that you save the date on your calendar so that you can come along.

END OF YEAR THANKSGIVING MASS

**You are invited to join with our community as we
gather for our
End of Year Thanksgiving Mass
on Wednesday 12th December at 9:15am in the Multi
Purpose Learning Centre.**

All students will be involved in the celebration as we give thanks for everything that we have shared throughout 2018. The gift that the Year 6 students donated to the school will be blessed by Fr John during this mass. It would be great if mums, dads and/or grandparents were able to come along and join us.

YEAR TWO EXPLORING GEOGRAPHY

This term Year 2 have been creating their very own Geography projects. We worked collaboratively to make a board game, a poster and a model of a place that we had researched. The projects were about creating a model to demonstrate our new learning. On the first day, we looked at websites that gave us information about places such as The Kimberley, Uluru, Daintree Rainforest and Kakadu National Park. After we researched our place, we wrote facts on the chromebooks or a poster.

When we finished we planned a game board and a comic book. We worked in a group of two or three. My group researched The Kimberley and made a game board.

Some interesting facts that we learnt:

- The Kimberley has been explored by William Dampier.
- It has existed for more than 60,000 years.
- The rock art was painted by Aboriginal Australians who painted on rocks to share their stories with their ancestors.
- The art rock is not to be displayed in art museums.

Before we shared our project with our parents some Year 5 helpers came and gave us feedback to help us make them even better. They were really helpful.

My favourite part of the project was creating the game board.

As you may be aware the Executive Director's Summer Reading Challenge has commenced again for this year.

The way to enter is simple:

"Students just need to read as many books as they can and tell us why they love them in 50 words or less".

The more material a student reads, the more times they can enter the reading challenge and the more chances they have of winning one of four iPad minis."

You will find the link to enter at the following address:

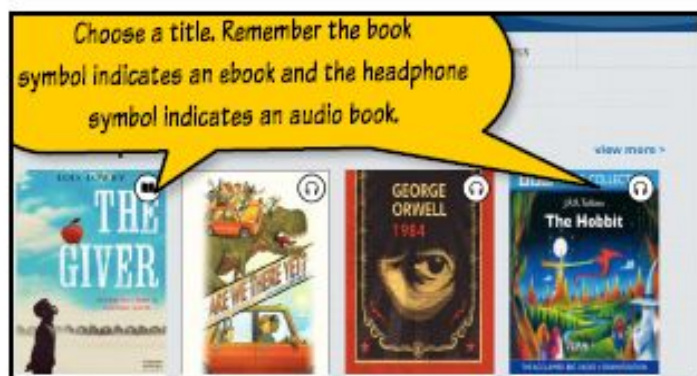

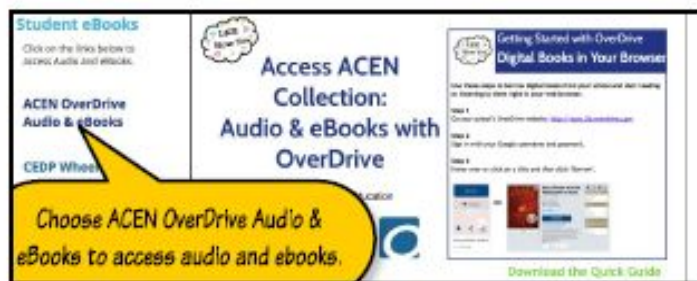

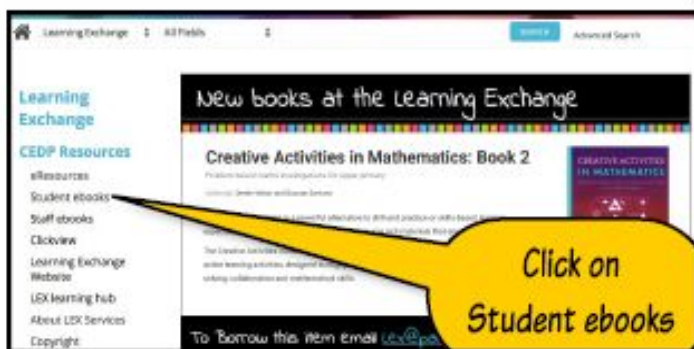

<http://www.parra.catholic.edu.au/summer-reading-challenge>

We know that you will appreciate the benefits to be had in keeping up with regular reading over this extended break.
