Next Friday, 28th November, we will be marking our school’s 15th year of education with a commemorative whole school photo. As the photo also mark this year’s launch of PBS4L, our school will form the distinctive PBS4L symbol of the rainbow, symbolising our school’s foundational agreements –

We are Respectful; We are Safe; We do our Personal Best.

For this reason we are asking different grades to come to school in specific colours according to their grade and where their grade will be in the school photo.

- Kindergarten students will need to wear purple tops as well as their school sport shorts.
- Years 1 and 2 will need to wear green tops as well as their school sports shorts.
- Years 3, 4, 5 and 6 will need to wear pink tops as well as their school sports shorts.

This photo, featuring your child, will become a special moment in the story of our school and we ask that all families help make this special occasion successful.

Thank you for your support.
