SkoolBag app is now at Holy Cross!

At Holy Cross, we are always looking for new ways to communicate with our parents and families. To ensure our communication is effective and efficient we have now started using the SkoolBag app.

SkoolBag will allow us to notify families directly through the app. Items such as school news, notices about upcoming events, excursion notes and general reminders will be communicated directly to families via SkoolBag. We will also continue to use our Facebook page and school website as a means of sharing photos and news with our community.

Over the next few weeks, as we transition all families onto the SkoolBag app, we will continue to send emails about important information or updates as well as pushing these out via the SkoolBag app.

Today we have sent an email invite to join us on the SkoolBag app. Please follow the instructions in the email. Alternatively, you can simply download the app and search for Holy Cross Primary Glenwood as per the instructions on this page. Please also ensure notifications are enabled and able to be received from the SkoolBag app on your phone.

We look forward to keeping you informed about all things Holy Cross.

Regards,

Marina Hardy
